

# HOTFLO

160L COMPACT  
ELECTRIC TANK

**Rinnai**

*Relax with Rinnai.*

# FEATURES & BENEFITS

We are so confident in the quality of our new range of tanks we are offering a long 10 year cylinder warranty from the very first product produced. We use a unique blend of enamel and an enhanced sacrificial anode across our range which means your tank has the ultimate protection.

## AUSTRALIAN MADE

Manufactured in Rinnai's brand new state-of-the-art Melbourne facility with local know how and Japanese technology.

## UP TO 22% BETTER THAN MEPS\*

Our unique blend of insulation material means our tanks outperform the industry standard by as much as 22%.

## OVER 15% LIGHTER THAN OTHER LEADING BRANDS\*

A combination of cutting edge manufacturing techniques and material optimisation means our tanks are some of the lightest on the market, making them easy to manoeuvre and work with on site.

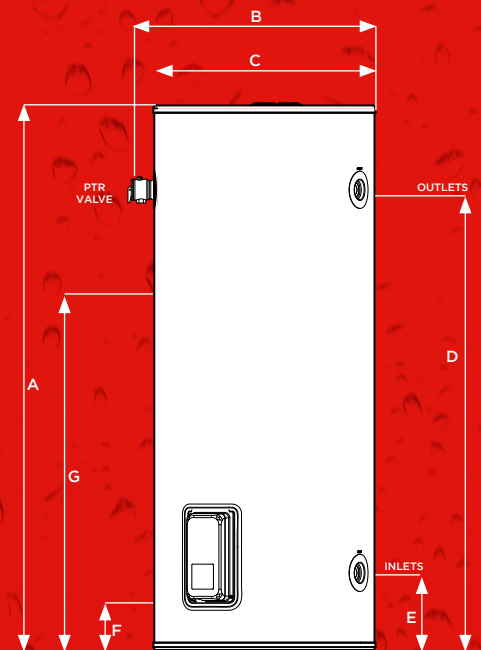

## DESIGNED FOR EASY REPLACEMENT OF OLDER TANKS

Taking into account the tank footprint in our design process, locating plumbing connections on both sides of the tank and within easy reach for changeovers from older tanks means a quick and easy install of your new Rinnai Hotflo.
